Rear Admiral Earl F. Rectanus  
Director of Naval Intelligence  
Department of the Navy

Dear Rex,

I want to thank you for responding so promptly to my request to Captain Richard. Your Point Paper provides an excellent example of the value of such service to service arrangements.

As you may be aware, Mr. Colby at the 20 November USIB meeting initiated a discussion of foreign intelligence liaison relations, indicated that he intended to submit a report to NSCIC on the subject, and assigned action on this to me. For this purpose, I am obtaining background material from appropriate elements of the Intelligence Community and would appreciate additional material from you on the US Navy's intelligence liaison relationships. [REDACTED]

[REDACTED] of my Staff is in charge of this study and is available to meet with you or your designee to review what we believe we need from you in the way of supporting material. I would appreciate whatever assistance you can give him. His telephone is [REDACTED]

Sincerely,

DCI/IC/PD/[REDACTED] is (12/7/73)
